Busy! Yes, they are always busy at the Cumings dry goods store. Such a line of seasonable goods placed before the throng of anxious buyers can't fail to keep them busy. At Marcellus, on Wednesday, Frank Smith won the 3-minute trot, best time 2:42; Oyeda M. the 2:45 trot or pace, best time 2:36; John G. Saxe the free-for-all, best time 2:26. The country is great whose people are intelligent. The alphabet is conquering the world—particularly those three letters of the alphabet, "H. S. & M." They are conquering because they stand for the best clothing in the world. To see "H. S. & M." clothing is to prove this to your own satisfaction. Sold in Paw Paw only by E. Smith & Co.

I. Jay Cumings and other gentlemen are agitating the matter of holding a street fair, harvest festival or something of that sort here this summer, having all exhibits, games, races, etc., take place on the streets instead of at the fair ground, with admission free to all. It would doubtless call a large crowd to town. Think it over, and if it's a good thing push it along.

Children's Day was observed at the Free Baptist, the Methodist and the Presbyterian churches last Sunday with appropriate exercises. The churches were each elegantly decorated with plants and flowers and all the audiences were large. The declamations, recitations and music were very fine and reflected credit on both pupils and teachers. A generous sum was realized for the missionary cause.

John Ihling, proprietor of the Peninsular, at Lake Cora, has been making some fine improvements at that popular place of resort. Mr. Ihling informs us that he is not quite ready for the reception of guests, although he has some Kansas people stopping with him. He says the outlook is good for a very large patronage during the season. He is fortunate in having some influential friends in the Chicago railroad offices who never lose an opportunity to recommend guests to his place, and their recommendations are well deserved.

Paw Paw people will be amused at the account of the way three highwaymen didn't succeed in holding up Frank Rawson at Kalamazoo. They tackled the wrong man. The following is taken from the Kalamazoo News: "Three men tried to hold up Frank Rawson of the Brook farm Wednesday night about 11 o'clock. One of them is in jail with a smashed head and the sheriff is looking for the others. Mr. Rawson was driving home, and when near the South Haven tracks a man sprang out of the darkness and grabbed at the bridle of his horse. Rawson struck him some terrible blows with his whip and succeeded in getting away and driving to the farm. There he got a boy and went back. The three highwaymen were nearly where he first met them. Telling the boy to hold the horse he jumped out and tackled the crowd. There was a hard fight for several minutes when Rawson got one of the men in limbo and into his carriage. He held him and the boy drove and they landed their man safely in jail. There the captured highwayman was recognized as Cull Patterson of Plainwell, who is said to have given the officers trouble before. His head was in a terribly battered condition from the blows inflicted by Rawson's whip. The other two men were recognized by Mr. Rawson as residents of Cooper."
